

Quality Policy

CCIC Singapore and its group of Companies are committed to providing SMART services to all its customers namely:

S - Standardized

M - Market driven

A - Accurate

R - Reliable

T - Timely

We achieve this by:

- **A**dopting a culture that promotes and thrives for operational excellence
- **B**eing independent and fully compliant to industry standards, ethical practices and regulatory requirements
- **C**ontinually improve our business practices, quality system processes and its effectiveness
- **D**oing it right the first time, every time

The Company is fully committed to meet and improve the requirements laid down in ISO 9001, 17020 and 17025 standards. CCIC Management shall motivate and ensure all staff are familiar with the system established in the Quality Manual; comply with policies and procedures; and strive to meet the objectives laid down in their area of work.

Wang GuiCheng
